KAYAK STRATEGIC ADVISORS

Industry Icon Library

45 IBEF industries · 48 icons each · 2,160 icons

Every set follows the KSA icon system: a 24 px grid, 2 px strokes, flat cuts and one Beacon Saffron accent. Rows: value chain · Kayak's 12 services drawn on industry objects · advisory topics · digital and app actions.

October 2026

48 icons · line, duotone, reversed, badge

Agriculture and Allied Industries

VALUE CHAIN

Seeds & sowing · Farm mechanisation · Micro-irrigation · Fertilisers & agrochem · Foodgrain crops · Grain storage · Mandis & APMC markets · Dairy · Fisheries & aquaculture · Poultry & eggs · Horticulture · Monsoon & weather

SERVICES

Agribusiness strategy · Agri-infra deals · Climate & yield risk · Procurement fraud · Fake agrochemicals · Plant variety rights · Agritech · Crop yield data · Farm labour · Dairy safety compliance · Mandi fees & GST · Farm credit

ADVISORY

MSP & farm policy · Soil health · Precision farming · Crop insurance · Farmer producer orgs · Post-harvest supply chain · Agri exports · Water-use efficiency · Natural farming · Dairy growth · Mechanisation innovation · Seed quality

DIGITAL

Weather alerts · Mandi prices · Book farm machinery · Order inputs · Soil health card · File crop claim · Land records · Kisan credit card · Milk payments · Kisan helpline · Verify seed lot · Find warehouse

48 icons · line, duotone, reversed, badge

Auto Components

VALUE CHAIN

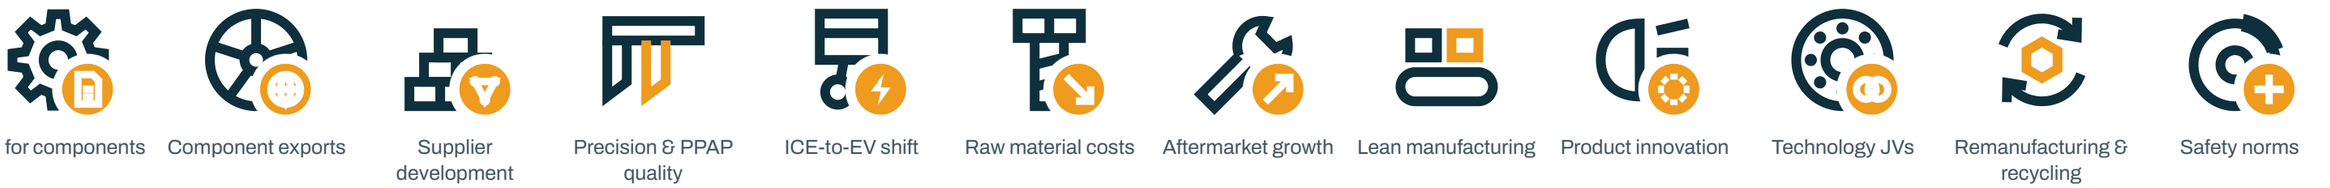

Castings & forgings · Engine parts · Drive & transmission · Braking systems · Wheels & tyres · Ignition parts · Bearings · Suspension · Lighting · Electricals & harnesses · Tier-1/2/3 suppliers · Aftermarket

SERVICES

Component strategy · Supplier M&A · Supplier risk · Counterfeit parts probes · Fake spare parts · Engineering IP · Auto electronics tech · Parts catalogue data · Shop-floor workforce · AIS & BIS compliance · GST on parts · Working capital

ADVISORY

PLI for components · Component exports · Supplier development · Precision & PPAP quality · ICE-to-EV shift · Raw material costs · Aftermarket growth · Lean manufacturing · Product innovation · Technology JVs · Remanufacturing & recycling · Safety norms

DIGITAL

Parts search · Order spares · Verify genuine part · Fitment check · Supplier portal · Submit RFQ drawings · Track shipment · Find a retailer · Download catalogue · Warranty replacement · Technical support · Recall alerts

48 icons · line, duotone, reversed, badge

Automobiles

VALUE CHAIN

Vehicle design & R&D · OEM assembly · Passenger vehicles · Two-wheelers · Three-wheelers · Commercial vehicles · Buses · Tractors · Vehicle dispatch · Dealerships · Sales & delivery · After-sales service

SERVICES

Automotive strategy · OEM M&A & JVs · Fleet & supply risk · Vehicle fraud & theft · Fake dealer scams · Vehicle design IP · Connected car technology · Telematics data · Plant workforce · Homologation compliance · Vehicle GST & cess · Vehicle finance

ADVISORY

Emission norms (BS-VI) · PLI for autos · Vehicle exports · Supply chain resilience · Vehicle safety (NCAP) · Market entry · Pricing & affordability · Rural demand · Fleets & shared mobility · Outbound logistics · EV transition · ADAS & autonomy

DIGITAL

Configure your car · Book a test drive · Find a dealer · Book online · Book a service · Track delivery · Download brochure · Exchange your car · Remote lock · Roadside assistance · Rate your ride · Talk to a dealer

48 icons · line, duotone, reversed, badge

Aviation

VALUE CHAIN

Airlines & fleet · Flight operations · Airport terminals · Air traffic control · Airside infrastructure · Engines & components · MRO hangar · Ticketing & check-in · Passenger baggage · Air cargo · Aviation fuel (ATF) · Regional connectivity (UDAN)

SERVICES

Airline strategy · Aircraft leasing deals · Aviation safety risk · Ticket fraud probes · Fake airline sites · Aero-engine IP · Airport technology · Route & demand data · Crew workforce · DGCA compliance · ATF taxes · Airport financing

ADVISORY

DGCA & AAI regulation · Airport PPPs · MRO localisation · Sustainable aviation fuel · Cargo hubs · Aerospace supply chain · Fleet & capacity planning · Fares & yield · Drones · Helicopters & GA · Passenger experience · Pilot training

DIGITAL

Search flights · Book tickets · Web check-in · Choose a seat · Digi Yatra boarding · Track baggage · Flight status · Delay alerts · Lost baggage claim · Airport maps · Upgrade & loyalty · Download invoice

48 icons · line, duotone, reversed, badge

Ayush

VALUE CHAIN

Medicinal plants · Herb cultivation · Classical preparation · Unani distillates · Medicated oils · Homoeopathy · Herbal wellness drinks · Yoga & naturopathy · Panchakarma therapy · Ayush wellness centres · Classical texts · Ayush products

SERVICES

Ayush strategy · Ayush M&A · Adulteration risk · Counterfeit remedies · Brand & look-alikes · Traditional knowledge IP · Manufacturing technology · Therapy outcome data · Practitioners & trainers · GMP compliance · GST on Ayush products · Cluster & farm finance

ADVISORY

ASU&H drug licensing · National Ayush Mission · Pharmacopoeia standards · Ayush exports · Heal in India · Integrative medicine · Raw herb supply chain · Sustainable sourcing · Evidence & research · Yoga certification · Preventive health · Pharmacovigilance

DIGITAL

Book a therapy · Tele-consultation · Order products · Yoga sessions · Find a centre · Verify licence · Search formulary · Ask a practitioner · Repeat remedy · Yoga certificate · Track order · Sell raw herbs

48 icons · line, duotone, reversed, badge

Banking

VALUE CHAIN

Bank branch · ATM · Cards · Vault & custody · Cash management · Cheques & clearing · Mobile banking · Payments · Retail lending · Deposits & savings · Credit assessment · MSME credit

SERVICES

Banking strategy · Bank M&A & deals · Credit risk · Fraud investigations · Phishing & brand abuse · Fintech IP · Core banking technology · Banking data · Branch workforce · AML & KYC compliance · Tax on deposits (TDS) · Loan book finance

ADVISORY

Board & governance · RBI regulation · Asset quality (NPA) · Financial inclusion · Digital lending · Cyber security · Customer analytics · Supply-chain finance · Green finance · Cross-border remittances · Deposit growth · Fintech partnerships

DIGITAL

My account · New payment · Scan & pay · Freeze card · Download statement · ATM locator · Loan status · Alerts · Support · Biometric login · AutoPay · Scheduled payments

48 icons · line, duotone, reversed, badge

Biotechnology

VALUE CHAIN

Genomics · Research & discovery · Cell & gene therapy · Bioprocessing · Microbial strains · Biologics & biosimilars · Agri-biotech · Industrial enzymes · Biofuels & bioenergy · Gene sequencing · Lab research services · Biobanks

SERVICES

Biotech strategy · Licensing & M&A · Clinical & scale-up risk · Research misconduct · Biosimilar brand abuse · Biotech patents · Bioprocess technology · Genomic data · Scientist talent · Bioethics compliance · R&D tax credits · Venture funding

ADVISORY

GEAC approvals · BioE3 policy · Biosafety · Biosimilar exports · Bio-manufacturing · Bio-incubators · Novel therapies · Precision medicine · Bioeconomy & ESG · Academia-industry links · GLP quality · Reagent supply chain

DIGITAL

Track samples · Download results · Gene database · Book lab time · Submit samples · Biosafety approval · Monitor batches · Virtual lab · My test report · Ask a scientist · Field trial sites · Order reagents

48 icons · line, duotone, reversed, badge

Cement

VALUE CHAIN

Limestone mining · Crushing · Preheater tower · Rotary kiln · Clinker · Cement grinding · Storage silos · Bagged cement · Bulk cement transport · Ready-mix concrete · Precast & blocks · Construction demand

SERVICES

Cement strategy · Cement M&A & consolidation · Mining lease risk · Counterfeit cement probes · Brand & packaging abuse · Process technology IP · Plant automation · Plant performance data · Plant workforce · Emission norms compliance · GST on cement · Capex finance

ADVISORY

Mining regulation (MMDR) · Decarbonisation · Fly ash & slag blending · Waste heat recovery · Fuel & power cost · Freight & distribution · Capacity expansion · Cement pricing · Infra & housing demand · Clinker exports · Grinding unit location · BIS quality standards

DIGITAL

Order cement · Schedule RMC pour · Track delivery · Find dealers · Dealer payments · Verify genuine bag · Strength testing · Test certificate · Mason loyalty · Technical help desk · Request quote · Dispatch alerts

48 icons · line, duotone, reversed, badge

Chemicals

VALUE CHAIN

Feedstock & cracking · Chemical compounds · R&D & lab testing · Reactors & batch process · Process piping · Tank storage · Bulk chemicals · Agrochemicals & fertilisers · Paints & coatings · Dyes & pigments · Chemical logistics · Hazardous materials

SERVICES

Chemicals strategy · Chemicals M&A · Process safety risk · Spurious chemicals probes · Brand counterfeiting · Process patents · Process automation · Lab & formulation data · Plant operators · REACH & BIS compliance · GST & customs duty · Capex finance

ADVISORY

Fertiliser subsidy policy · Petrochemicals · Specialty chemicals · Effluent treatment · Chemical regulation · Chemical exports · Feedstock security · Process safety · Energy efficiency · Water stewardship · Green chemistry · Chemical parks (PCPIR)

DIGITAL

Order chemicals · Safety data sheets · Track consignment · Product finder · Request sample · Certificate of analysis · Tank level alerts · Incident reporting · Shade selector · Dealer locator · Batch release · Technical support

48 icons · line, duotone, reversed, badge

Consumer Durables

VALUE CHAIN

Televisions · Refrigerators · Washing machines · Air conditioners · Fans & small appliances · Kitchen appliances · Microwave ovens · Assembly & manufacturing · Energy star rating · Retail & dealers · Delivery & installation · After-sales service

SERVICES

Durables strategy · Manufacturing M&A & deals · Supply disruption risk · Dealer & grey-market probes · Counterfeit appliances · Design & patent IP · Smart appliance tech · Service & warranty data · Factory workforce · BIS & BEE compliance · GST & trade tax · Consumer finance (EMI)

ADVISORY

PLI for ACs & LEDs · Quality control orders · Energy efficiency · Pricing & margins · E-waste & EPR · Connected home · Component localisation · Capacity expansion · Channel & retail reach · Product reliability · Export markets · Technician skilling

DIGITAL

Register product · Book a service · Track delivery · Store locator · Warranty card · Remote app control · Buy online · Pay EMI · Service reminders · Invoice & manuals · Rate & review · Scan product label

Defence Manufacturing

VALUE CHAIN

Ordnance factories & DPSUs · Combat aircraft · Warships & shipyards · Submarines · Armoured vehicles · Missile systems · Radars & sensors · Ammunition · UAVs · Soldier protection · Defence space · Defence electronics

SERVICES

Defence strategy · Defence M&A & JVs · Programme risk · Espionage & leak probes · Counterfeit equipment · Defence tech IP & ToT · Drone & autonomy tech · ISR & defence data · Skilled defence workforce · Export control (SCOMET) · Customs & GST · Shipbuilding finance

ADVISORY

Procurement (DAP) · Make in India policy · Indigenisation lists · Defence corridors · Defence exports · Offsets & OEM partnerships · Defence supply chain · iDEX innovation · Security clearance · Cyber & space security · Shipbuilding capacity · Quality assurance (DGQA)

DIGITAL

Find tenders · Vendor registration · Submit bid · Search import-substitution items · Apply for defence licence · Track application · Export authorisation · Book test facility · Download certificate · Order via GeM · Tender alerts · Vendor helpdesk

48 icons · line, duotone, reversed, badge

E-Commerce

VALUE CHAIN

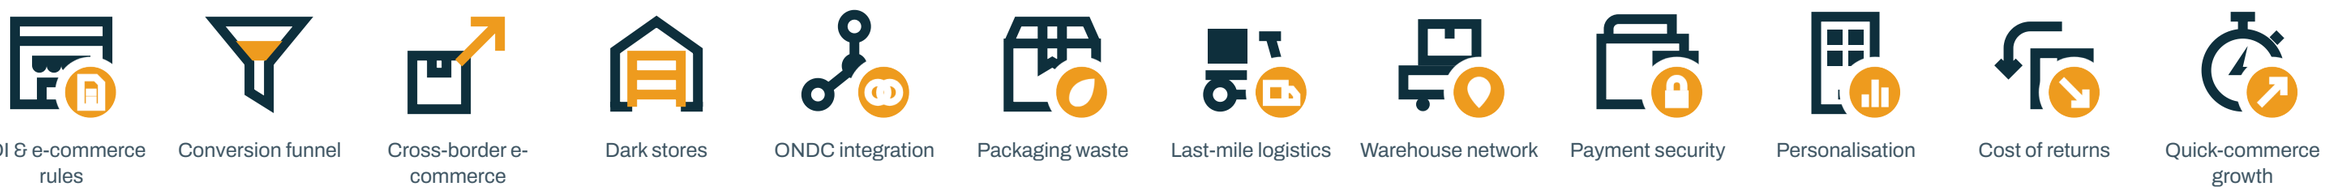

Online marketplace · Product catalogue · Digital payments · Packaging & dispatch · Fulfilment automation · Last-mile delivery · Returns & reverse logistics · Sellers & MSMEs · Ratings & reviews · Quick commerce · Open network (ONDC) · Social commerce

SERVICES

E-commerce strategy · E-commerce M&A & funding · Return abuse risk · Seller fraud probes · Counterfeit listings · Content & design IP · Warehouse automation · Clickstream data · Gig delivery workforce · Listing compliance · GST TCS for sellers · BNPL & payment finance

ADVISORY

FDI & e-commerce rules · Conversion funnel · Cross-border e-commerce · Dark stores · ONDC integration · Packaging waste · Last-mile logistics · Warehouse network · Payment security · Personalisation · Cost of returns · Quick-commerce growth

DIGITAL

Track order · Search products · Add to cart · Checkout & pay · Doorstep delivery · Wishlist · Schedule pickup · Rate & review · Upload listings · Share product · Live rider location · Back-in-stock alerts

48 icons · line, duotone, reversed, badge

Education and Training

VALUE CHAIN

Foundational learning · K-12 schools · Teaching & pedagogy · Books & publishing · Higher education · EdTech & online learning · Vocational training · Exams & assessment · Libraries & content · Research & labs · Degrees & credentials · Student services

SERVICES

Education strategy · EdTech M&A & deals · Exam integrity risk · Fake degree probes · Diploma mills & brand abuse · Content & copyright · Learning platforms · Student & exam data · Faculty workforce · UGC & AICTE compliance · GST on education · Education loans

ADVISORY

NEP 2020 reforms · Higher-ed regulation · Accreditation & rankings · Enrolment & access (GER) · Employability · Internationalisation · Digital learning · Teacher training · Industry partnerships · Capacity & infrastructure · Learning outcomes · Fees & affordability

DIGITAL

Apply for admission · Pay fees · Download certificate · Exam results · Live classes · Student ID · Submit assignment · Search catalogue · Exam schedule alerts · Ask a teacher · Campus locator · Rate a course

48 icons · line, duotone, reversed, badge

Electric Vehicle

VALUE CHAIN

Critical minerals · Battery cells · Battery packs · Battery management (BMS) · Traction motors · Power electronics · Electric cars · Electric two-wheelers · Electric buses · Charging stations · Battery swapping · Battery recycling

SERVICES

EV strategy · Gigafactory deals · Mineral supply risk · Subsidy fraud probes · Fake charging apps · Cell chemistry IP · Battery technology · Charging data · EV skills & workforce · Battery safety compliance · GST on EVs · E-bus financing

ADVISORY

PLI for ACC batteries · PM E-DRIVE scheme · Mineral supply chain · Charging infrastructure · Grid integration & V2G · Battery thermal safety · TCO & pricing · Battery circularity · Motor innovation · EV adoption · Connected EV security · Charging standards

DIGITAL

Find a charger · Reserve a slot · Scan to charge · Pay for charging · Charging status · Swap stations · Battery health alerts · Trips & range · Ride modes · Rate a charger · Battery warranty · EV support

48 icons · line, duotone, reversed, badge

Electronics System Design & Manufacturing

VALUE CHAIN

Chip & system design · Wafers · Semiconductor fabs · ICs & packaging (ATMP) · PCB assembly · SMT lines · Passive components · Mobile phones · IT hardware · White goods (ACs) · Consumer electronics · Testing & calibration

SERVICES

Electronics strategy · EMS M&A & deals · Component shortage risk · Counterfeit chips · Fake device takedown · Chip design IP · Process technology · Yield & test data · Factory workforce · BIS certification · Customs duty · Fab capex finance

ADVISORY

PLI for electronics · Fab technology partners · Design-linked incentive · Domestic value addition · Component ecosystem · Electronics exports · E-waste & circularity · Fab water & utilities · Reliability & quality · Manufacturing skills · Electronics clusters · Capacity scale-up

DIGITAL

Find parts · Order components · Upload PCB design · Download datasheet · Verify IMEI · Track production order · Certification status · Request repair · Book installation · Firmware update · Product support · Register device

48 icons · line, duotone, reversed, badge

Engineering and Capital Goods

VALUE CHAIN

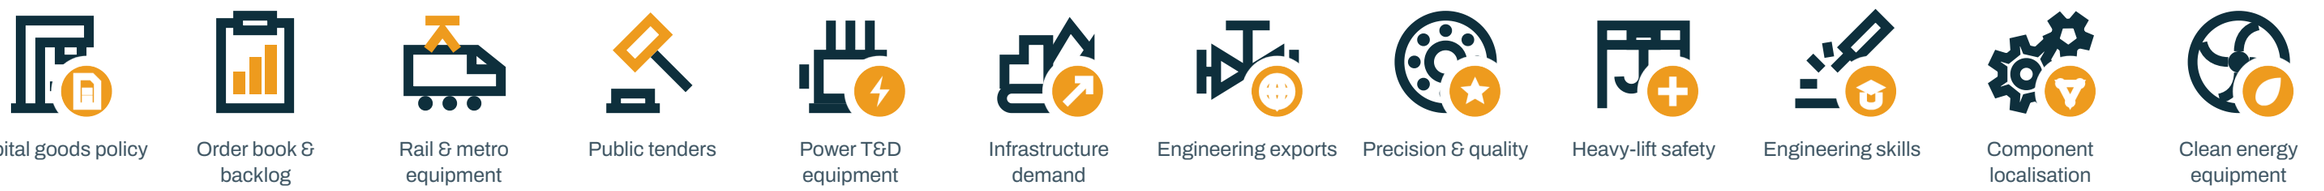

Machine tools · Gears & transmission · Bearings · Industrial valves · Pumps · Turbines · Heavy electricals · Construction equipment · Material handling · Process plant equipment · Fabrication & welding · Engineering design

SERVICES

Capital goods strategy · Engineering M&A · EPC project risk · Fake bearings probes · Counterfeit pumps · Design IP & patents · CNC & automation · Equipment telematics · Skilled workforce · Pressure equipment rules · Duties & GST · Project finance

ADVISORY

Capital goods policy · Order book & backlog · Rail & metro equipment · Public tenders · Power T&D equipment · Infrastructure demand · Engineering exports · Precision & quality · Heavy-lift safety · Engineering skills · Component localisation · Clean energy equipment

DIGITAL

Order spares · Download drawings · Fleet locator · Condition alerts · Remote monitoring · Product selector · Configure machine · Submit bid · Book inspection · Track order · Training videos · Field service request

48 icons · line, duotone, reversed, badge

Financial Services

VALUE CHAIN

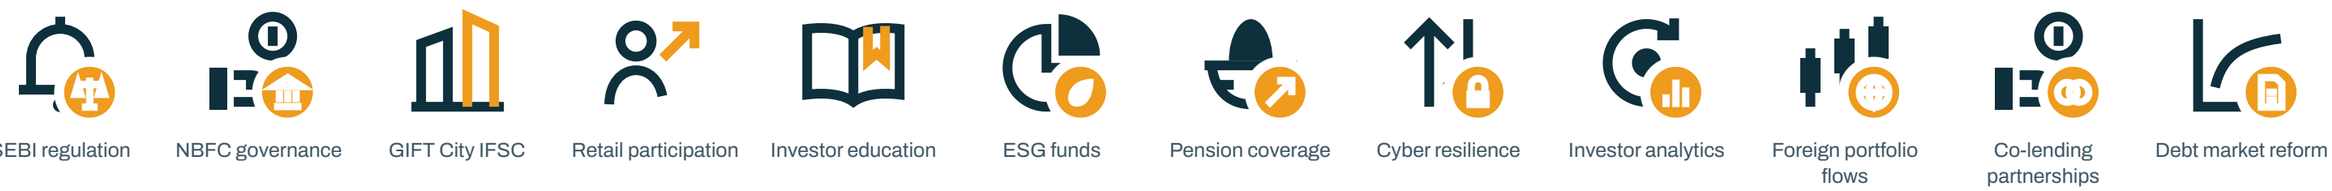

Equity markets · IPOs & listings · Broking · Demat & depositories · Mutual funds · SIP investing · Wealth management · Pensions & retirement · NBFC lending · Bonds & debt markets · Commodity markets · VC & private equity

SERVICES

Asset manager strategy · PE & VC deals · Market risk · Market abuse probes · Fake trading apps · Index & data IP · Trading platforms · Depository data · Advisor talent · Listing compliance · Capital gains tax · NBFC funding & ALM

ADVISORY

SEBI regulation · NBFC governance · GIFT City IFSC · Retail participation · Investor education · ESG funds · Pension coverage · Cyber resilience · Investor analytics · Foreign portfolio flows · Co-lending partnerships · Debt market reform

DIGITAL

Complete eKYC · Open demat account · Start a SIP · IPO allotment status · Trade on app · Watchlist · Explore funds · Capital gains statement · Price alerts · Talk to an advisor · Track pension (NPS) · Pay EMI

48 icons · line, duotone, reversed, badge

FMCG

VALUE CHAIN

Personal care · Soaps & hygiene · Home care · Oral care · Beverages · Packaged foods · Distributors & C&FA · Route-to-market · Kirana stores · Modern trade shelf · Advertising & media · Rural reach

SERVICES

Brand portfolio strategy · FMCG M&A & deals · Channel risk · Counterfeit raids · Brand look-alikes · Trademarks & formulas · Sales-force automation · Retail audit data · Field sales teams · Labelling compliance · GST rate changes · Trade credit

ADVISORY

Pricing & pack sizes · Market share · SKU rationalisation · Distribution network · Plastic EPR & recycling · Consumer insights · Rural demand growth · FMCG exports · New product launches · Input cost inflation · Retail execution · Media ROI

DIGITAL

Retailer ordering · Track delivery · Stock availability · Offers & coupons · Verify product · Rate product · Shelf photo audit · Reorder · Store locator · Consumer care · Product videos · Scheme alerts

48 icons · line, duotone, reversed, badge

Food Processing

VALUE CHAIN

Raw material sourcing · Milling & grinding · Processing plant · Processing line · Cold chain · Canning · Aseptic packaging · Bakery & confectionery · Spices & condiments · Ready-to-eat meals · Edible oils · Frozen foods

SERVICES

Food processing strategy · Food M&A & deals · Spoilage risk · Adulteration probes · Counterfeit packs · Recipe & formulation IP · Plant automation · Sourcing data · Plant workforce · FSSAI compliance · GST on processed food · Working capital

ADVISORY

FSSAI regulation · PLI for food processing · Food safety testing · Shelf life · Labelling & nutrition · Processed food exports · Cold-chain logistics · Sustainable packaging · Plant cost efficiency · Process quality · Farm-to-factory linkages · Mega food parks

DIGITAL

Licence status · Trace batch · Lab test report · Track reefer · Temperature log · Buy raw produce · Book lab test · Recall alerts · Line performance · Submit label · Product catalogue · Consumer care

48 icons · line, duotone, reversed, badge

Gems and Jewellery

VALUE CHAIN

Rough diamonds · Cutting & polishing · Polished diamonds · Coloured gemstones · Gold bullion · Refining & casting · Diamond jewellery · Gold jewellery · Traditional jewellery · Grading & assaying · Hallmarking (HUID) · Jewellery retail

SERVICES

Jewellery strategy · Diamond trade deals · Gold price risk · Conflict diamond probes · Fake & synthetic gems · Jewellery design IP · Laser cutting tech · Grading & stone data · Artisan workforce · Hallmarking compliance · Customs duty & GST · Inventory & gold loans

ADVISORY

BIS regulation · Gem & jewellery exports · Lab-grown diamonds · Gold price & weight · Kimberley Process · Rough sourcing · Responsible gold · Gold import policy · Karigar skilling · Retail expansion · Jewellery parks & SEZs · Bridal demand

DIGITAL

Virtual try-on · Download certificate · Verify HUID · Buy jewellery · Buy digital gold · Gold rate alerts · Store locator · Book appointment · Wishlist · Old gold exchange · Custom design chat · Track order

48 icons · line, duotone, reversed, badge

Healthcare

VALUE CHAIN

Hospitals · Emergency care · Doctor consultation · Inpatient care · Diagnostics & labs · Pharmacy retail · Telemedicine · Health insurance · Medical tourism · Health records · Immunisation · Blood bank

SERVICES

Healthcare strategy · Hospital & lab M&A · Patient safety risk · Insurance claim fraud · E-pharmacy brand abuse · Vaccine & therapy IP · Digital health platforms · Patient data & ABDM · Doctor & nurse workforce · NABH accreditation · GST on healthcare · Hospital project finance

ADVISORY

Health regulation · Ayushman Bharat PM-JAY · Treatment pricing · Medical value travel · Tier-2/3 expansion · NCD & chronic care · Bed capacity growth · Lab quality (NABL) · Vaccine cold chain · Medical skills & training · Green hospitals · Health data security

DIGITAL

Book appointment · Track ambulance · Download reports · Book lab test · File a claim · Order medicines · Find a hospital · Video consultation · Vaccination certificate · Health ID (ABHA) · Emergency SOS · Bed availability

48 icons · line, duotone, reversed, badge

Infrastructure

VALUE CHAIN

Bridges · Construction · Earthworks & EPC · Airports · Power transmission · Water supply · Dams & irrigation · Gas pipelines · Smart cities · Urban housing · Engineering design · GIS planning (Gati Shakti)

SERVICES

Infrastructure strategy · Airport privatisation deals · Dam safety risk · Structural failure probes · Fake housing-scheme sites · Design IP · Smart grid technology · Utility network data · Construction workforce · Pipeline safety compliance · GST on works contracts · Project finance

ADVISORY

PPP & concessions · Project scheduling · Land acquisition · Surveys & DPRs · Site safety · Approvals & clearances · Cost overruns · Housing policy (PMAY) · Climate resilience · Smart Cities Mission · Airport capacity growth · Construction quality

DIGITAL

Submit bid · Find tenders · Track project · Land records map · Application status · Pay water bill · New water connection · City alerts · Raise grievance · Download drawings · Contractor login · Outage alerts

48 icons · line, duotone, reversed, badge

Insurance

VALUE CHAIN

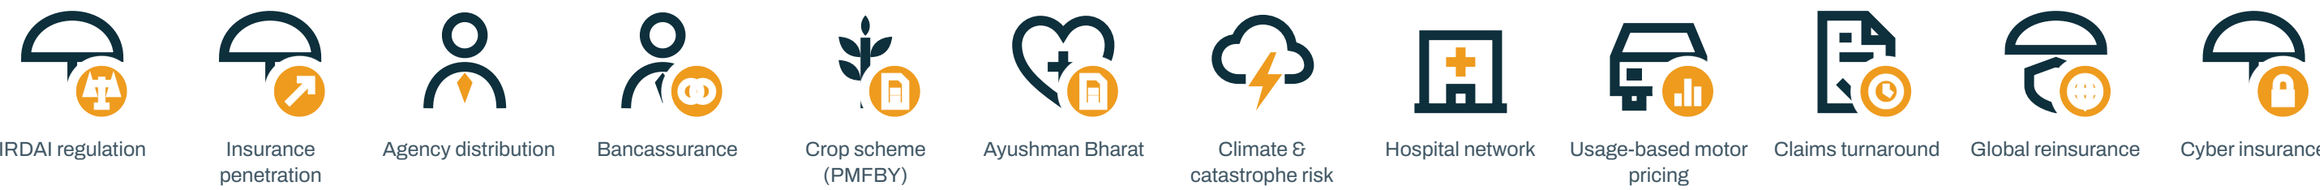

General insurance · Life insurance · Health insurance · Motor insurance · Fire & property · Marine cargo & hull · Crop insurance · Travel insurance · Policy issuance · Actuarial & pricing · Claims settlement · Reinsurance

SERVICES

Insurer strategy · Insurance M&A & deals · Underwriting risk · Claims fraud probes · Fake policy scams · Pricing model IP · Policy admin systems · Actuarial data · Agent workforce · KYC & AML compliance · Health premium tax (80D) · Solvency & capital

ADVISORY

IRDAI regulation · Insurance penetration · Agency distribution · Bancassurance · Crop scheme (PMFBY) · Ayushman Bharat · Climate & catastrophe risk · Hospital network · Usage-based motor pricing · Claims turnaround · Global reinsurance · Cyber insurance

DIGITAL

My policies · Compare plans · Buy motor cover · Renew policy · Pay premium · Download policy · Health e-card · Find network hospital · File a claim · Track claim · Vehicle self-inspection · Talk to an advisor

48 icons · line, duotone, reversed, badge

IT & BPM

VALUE CHAIN

Software development · Cloud services · Data centres · Contact centre (BPM) · Process automation (RPA) · Business process management · Testing & QA · SaaS products · Global capability centres · AI & machine learning · Managed IT services · Agile delivery

SERVICES

IT strategy · Tech M&A & deals · Cloud & outsourcing risk · Digital forensics · Tech-support scam takedown · Software IP & licensing · IT infrastructure · AI & data · BPM workforce · Data privacy compliance · SEZ & transfer pricing · F&A outsourcing

ADVISORY

STPI & SEZ policy · Data protection (DPDP) · Software services exports · Cloud migration · GenAI adoption · Talent pyramid · Cyber resilience · Green data centres · Tier-2 delivery centres · Automation savings · Hyperscaler alliances · Reskilling & upskilling

DIGITAL

Raise a request · Track request status · Live support · Run automation · Upload files · Download SDK · Generate API key · Admin console · Outage alerts · Secure remote access · Book a demo · My account

48 icons · line, duotone, reversed, badge

Manufacturing

VALUE CHAIN

Manufacturing plant · MSME units · Parts & fasteners · Assembly line · Industrial automation · Electronics manufacturing · Additive manufacturing · Quality inspection · Production planning · Plant maintenance · Intralogistics · Finished goods

SERVICES

Manufacturing strategy · Manufacturing M&A · Operational risk · Counterfeit parts probes · Counterfeit goods · Design & process IP · Automation technology · Production data · Shop-floor workforce · Factory compliance · GST & customs duty · Capex finance

ADVISORY

PLI & Make in India · Capacity utilisation · Lean operations · Semiconductor mission · Industry 4.0 · Supply-chain resilience · Export competitiveness · Quality & BIS standards · Workplace safety · MSME scale-up · Decarbonisation · Cost optimisation

DIGITAL

Order spare parts · New RFQ · Track shipment · Machine alerts · Production dashboard · Book plant visit · Upload CAD file · Vendor portal login · Safety permits · Live schedule · Inspection reports · Service request

48 icons · line, duotone, reversed, badge

Media and Entertainment

VALUE CHAIN

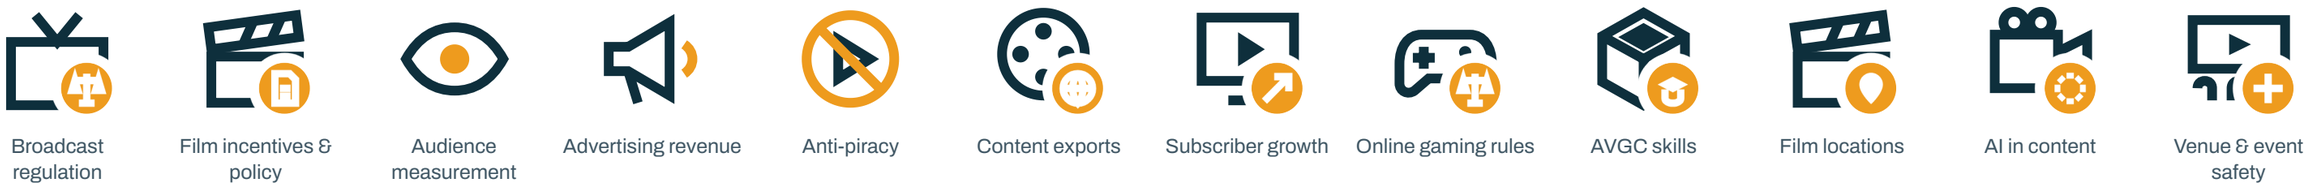

Film production · Video production · Animation & VFX · Film distribution · Cinema exhibition · TV broadcasting · OTT streaming · Music · Radio · Print & news media · Gaming & esports · Live events

SERVICES

Media strategy · Media M&A & deals · Release & content risk · Piracy investigations · Fake app & channel takedown · Music rights & royalties · VFX & production tech · Viewer data · Creative talent · Content code compliance · Entertainment tax & GST · Film finance

ADVISORY

Broadcast regulation · Film incentives & policy · Audience measurement · Advertising revenue · Anti-piracy · Content exports · Subscriber growth · Online gaming rules · AVGC skills · Film locations · AI in content · Venue & event safety

DIGITAL

Watch now · Book tickets · Scan e-ticket · Profiles · Subscribe · Download to watch · Rate & review · Upload video · Showtimes · Find cinemas · Search titles · Show reminders

48 icons · line, duotone, reversed, badge

Medical Devices

VALUE CHAIN

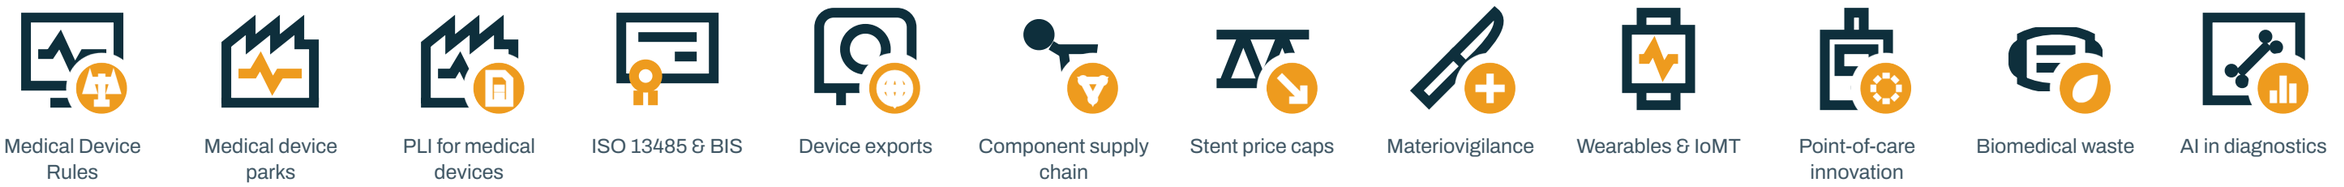

Imaging (CT & MRI) · X-ray & radiology · Patient monitoring · Cardiac stents · Orthopaedic implants · Surgical instruments · Consumables & PPE · In-vitro diagnostics · Assistive devices · Dental devices · Home-care devices · OT equipment

SERVICES

Medtech strategy · Medtech M&A · Product liability risk · Substandard consumables · Fake device listings · Device design patents · Embedded software · Imaging data · Biomedical workforce · IVD licensing · GST on assistive devices · Equipment leasing

ADVISORY

Medical Device Rules · Medical device parks · PLI for medical devices · ISO 13485 & BIS · Device exports · Component supply chain · Stent price caps · Materiovigilance · Wearables & IoMT · Point-of-care innovation · Biomedical waste · AI in diagnostics

DIGITAL

Scan UDI barcode · Remote monitoring · Book a scan · Download images · Sync readings · Health alerts · Implant card · Verify registration · Service request · Order consumables · Find a dealer · How-to videos

48 icons · line, duotone, reversed, badge

Metals and Mining

VALUE CHAIN

Exploration · Open-cast mining · Underground mining · Mining equipment · Ore haulage · Ore & bauxite · Ore handling & beneficiation · Aluminium · Copper & cables · Zinc & lead refining · Industrial minerals · Mine workforce

SERVICES

Mining strategy · Mine M&A · Exploration risk · Illegal mining investigations · Counterfeit metal products · Smelting process IP · Mining technology · Geological data · Mine workforce planning · Transit permit compliance · Royalty & DMF levies · Smelter project finance

ADVISORY

Mining regulation (MMDR) · Mineral block auctions · Critical minerals · Metal exports · Mine safety · Mine closure & reclamation · Smelter power costs · Concentrate sourcing · Capacity expansion · Mining cost efficiency · Commodity price outlook · Mine automation

DIGITAL

Apply for mining lease · Search mineral blocks · Mining lease map · E-transit pass · Track ore dispatch · Pay royalty · Auction bidder login · Production returns · Safety alerts · Metal price alerts · Buy metal online · Explore mineral map

48 icons · line, duotone, reversed, badge

MSME

VALUE CHAIN

Small manufacturing · Micro retail & trade · Textiles & apparel · Artisans & handicrafts · Plant & machinery · Tool rooms & job work · Packaging & finished goods · Invoicing & receivables · Working capital · MSME clusters · Dispatch & distribution · Udyam registration

SERVICES

Growth strategy · MSME deals & funding · Receivables risk · Fake invoice probes · Counterfeit products · GI & design rights · Industry 4.0 upgrade · Business data · Workforce & labour · Statutory compliance · GST compliance · Working capital finance

ADVISORY

MSME schemes · Credit guarantee (CGTMSE) · Delayed payments · ZED certification · Export promotion · Vendor development · Energy efficiency · Skilling · Startups & incubation · Market access (GeM, ONDC) · Scale-up & formalisation · Technology upgradation

DIGITAL

Register on Udyam · Download certificate · Loan eligibility · Discount invoices (TReDS) · Report delayed payment · Sell online · Accept UPI payments · Track shipment · Find common facility · Scheme finder · Business helpdesk · Book tool room

48 icons · line, duotone, reversed, badge

Oil and Gas

VALUE CHAIN

Exploration & reservoirs · Drilling · Onshore production · Offshore production · Crude oil · Pipelines · Refining · LNG shipping · Storage & reserves · Fuel retail · City gas distribution · LPG

SERVICES

Oil & gas strategy · Upstream asset deals · Exploration risk · Oil theft & diversion · Fake dealership scams · Catalyst & process IP · Subsurface technology · Seismic & well data · Rig workforce · Fuel quality compliance · Fuel taxes & subsidies · LNG contract finance

ADVISORY

Upstream regulation · Exploration licensing · Crude price outlook · Pipeline logistics · National gas grid · Refinery decarbonisation · Petrochemicals · LNG imports · Process safety · Refining capacity · Cost optimisation · Enhanced oil recovery

DIGITAL

Book LPG refill · Track LPG delivery · Apply for PNG · My PNG connection · Submit meter reading · Pay gas bill · Fuel station locator · Loyalty rewards · LPG subsidy status · Gas leak emergency · Download invoice · Fuel price alerts

48 icons · line, duotone, reversed, badge

Paper & Packaging

VALUE CHAIN

Wood & forestry · Pulp making · Paper mills · Writing & printing paper · Corrugated packaging · Liquid & folding cartons · Flexible packaging · Rigid plastic packaging · Packaging print · Labels & tags · Paper bags · Recycling & recovery

SERVICES

Packaging strategy · Paper mill M&A · Fibre supply risk · Counterfeit packaging probes · Look-alike packs · Packaging design IP · Print & converting tech · EPR & recycling data · Mill workforce · Food-contact compliance · GST & import duty · Mill capex finance

ADVISORY

EPR & plastic rules · Plastic substitution · Recovered paper · Smart packaging · Sustainable forestry · Water use in mills · Paper exports & imports · E-commerce packaging demand · Recyclable materials · Input cost management · Food-grade quality · Wood fibre sourcing

DIGITAL

Order boxes · Upload artwork · Track dispatch · Proof approval · Paper grade finder · Customise pack · Schedule waste pickup · Collection centres · Scan to verify · Box size calculator · Test certificates · Talk to sales

48 icons · line, duotone, reversed, badge

Pharmaceuticals

VALUE CHAIN

Drug discovery · APIs & bulk drugs · API manufacturing · Formulations · Generics · Packaging & blisters · Injectables & sterile · Branded medicines · Clinical trials · Quality control (QC) · Serialised packs · Cold-chain distribution

SERVICES

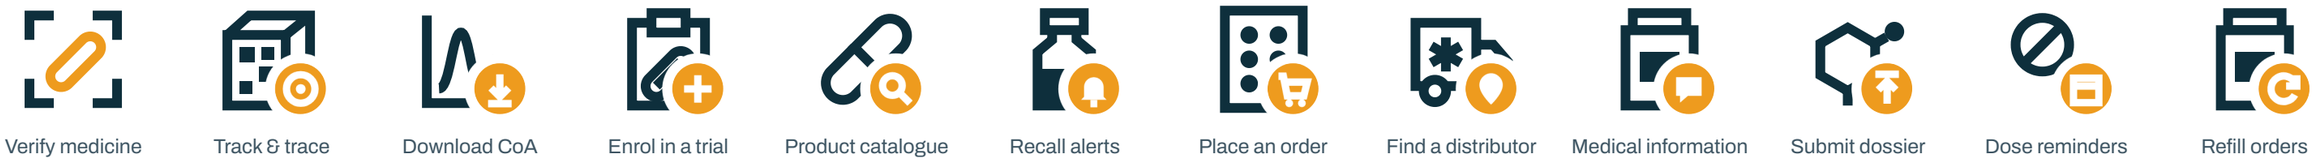

Pharma strategy · Pharma M&A · Clinical trial risk · Counterfeit drugs · Brand & look-alikes · Patents & exclusivity · Pharma 4.0 · Clinical data integrity · Scientific talent · GMP compliance · GST & transfer pricing · Pharma finance

ADVISORY

CDSCO & USFDA · PLI & bulk drug parks · Drug price control · Generic exports · API supply security · R&D & new drugs · Pharmacovigilance · Green chemistry · Schedule M quality · CDMO partnerships · Patent expiry · Cost optimisation

DIGITAL

Verify medicine · Track & trace · Download CoA · Enrol in a trial · Product catalogue · Recall alerts · Place an order · Find a distributor · Medical information · Submit dossier · Dose reminders · Refill orders

48 icons · line, duotone, reversed, badge

Ports

VALUE CHAIN

Container shipping · Quay cranes · Container terminals · Berths & jetties · Anchorage & pilotage · Lighthouses & navigation · Liquid bulk (POL) · Mooring & towage · Port warehousing · Yard handling · Dredging · Cruise terminals

SERVICES

Port strategy · Terminal concessions & M&A · Marine & spill risk · Cargo fraud probes · Shipping-line impersonation · Port equipment IP · Terminal automation · Cargo & EXIM data · Port workforce · Customs compliance · Customs duty & GST · Port project finance

ADVISORY

Major Ports Authorities Act · Sagarmala programme · Landlord port PPPs · EXIM trade · Port-led logistics parks · Coastal shipping · Green shipping (Harit Sagar) · Deep-draft capacity · Vessel turnaround time · Cruise tourism · Maritime safety · Dredging cost

DIGITAL

Track container · Vessel schedules · Bill of lading · File e-documents · Book berth slot · Pay port charges · Container enquiry · Vessel position · Port & weather alerts · Customs clearance status · Book cruise · Gate pass login

48 icons · line, duotone, reversed, badge

Power

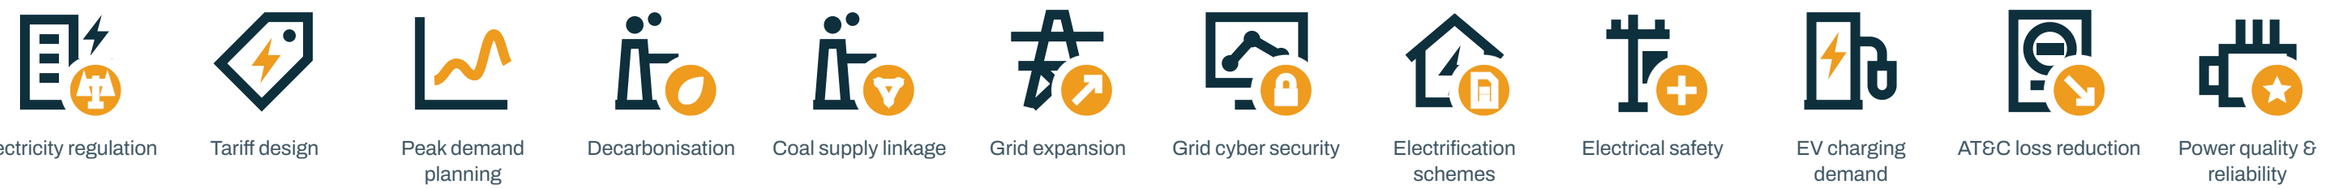

VALUE CHAIN

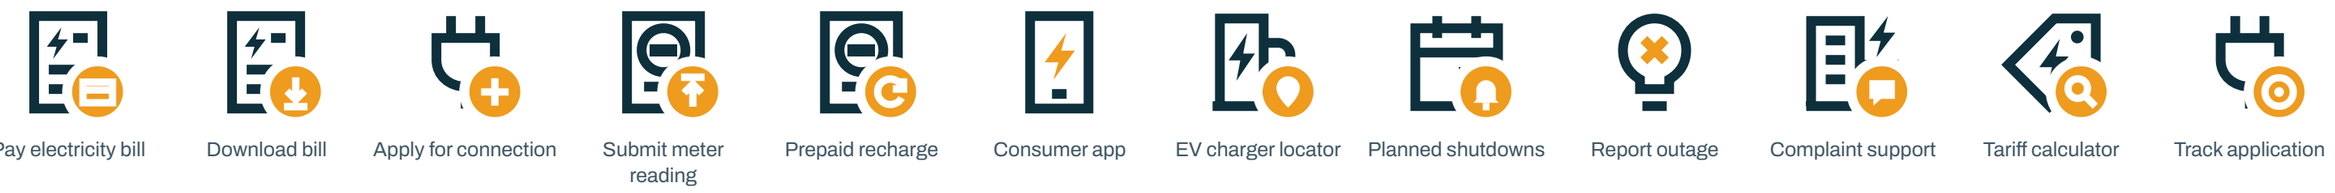

SERVICES

ADVISORY

DIGITAL

48 icons · line, duotone, reversed, badge

Railways

VALUE CHAIN

Locomotives · Semi-high-speed trains · Track & permanent way · Station redevelopment · Metro rail · Freight wagons · Signalling · Electrification (OHE) · Passenger coaches · Passenger information · Ticketing · Dedicated freight corridors

SERVICES

Network strategy · Rolling stock contracts · Operational risk · Ticket touting probes · Fake booking sites · Train design IP · Traction technology · Freight data · Railway workforce · Safety compliance · GST on freight · Metro project finance

ADVISORY

Railway Board regulation · Kavach train protection · PPP station projects · Freight modal share · Make in India rolling stock · Net-zero by 2030 · Corridor capacity · Gauge conversion · Bogie & wheel maintenance · Metro network planning · Passenger experience · Punctuality

DIGITAL

Book ticket · PNR status · Seat availability · Live train status · Station locator · Cancel & refund · Track consignment · Order food on train · Platform alerts · Metro card recharge · Download e-ticket · Rail Madad complaint

48 icons · line, duotone, reversed, badge

Real Estate

VALUE CHAIN

Land acquisition · Construction · Residential apartments · Villas & plotted homes · Commercial offices · Retail & malls · Industrial & logistics parks · Integrated townships · Sales & possession · Title & registration · Leasing & rentals · REITs & InvITs

SERVICES

Developer strategy · Land & property deals · Project delivery risk · Title due diligence · Fake listing scams · Design & architecture IP · PropTech · Market data · Construction workforce · RERA compliance · Stamp duty & GST · Real estate finance

ADVISORY

RERA regulation · Affordable housing (PMAY) · Smart cities · Green buildings · Site selection · Office absorption · Logistics real estate · Construction cost · Developer governance · Joint development · Land & zoning policy · Retail footfall

DIGITAL

Search properties · Locate on map · View floor plans · Virtual site visit · Book site visit · Pay booking amount · Download allotment · Track construction · Renew lease · Saved homes · Investor login · Verify RERA project

48 icons · line, duotone, reversed, badge

Renewable Energy

VALUE CHAIN

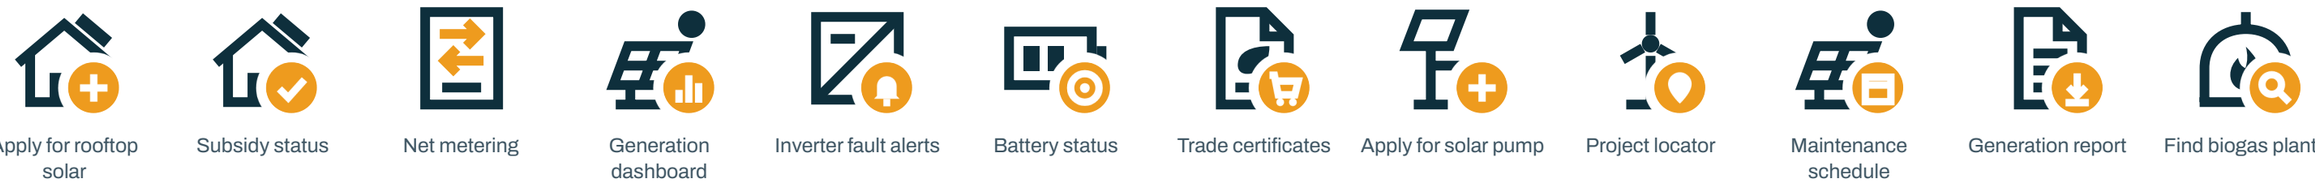

SERVICES

ADVISORY

DIGITAL

48 icons · line, duotone, reversed, badge

Retail

VALUE CHAIN

Malls & centres · Hypermarkets · Shopping · Apparel & fashion · Point of sale · Billing · Gift cards · Footfall · Distribution centre · Jewellery · Consumer electronics · Food & grocery

SERVICES

Retail strategy · Retail M&A & deals · Inventory & shrinkage risk · POS & refund fraud · Fake brand stores · Private label IP · Retail tech stack · Footfall analytics · Store staffing · Consumer law compliance · GST invoicing · Inventory finance

ADVISORY
